YA HA!
HA!

How ya doin', Hedgehog heroes?!

I'm taking a moment (well, more like a sentence or three) to introduce myself: I'm the new editor on the block...Scott Fulop!!!! Please, hold your applause!

Actually, I'm not new to Archie Comics, just new to Sonic's comic book. I'll be working with Victor (and getting some tips from zany Paul) to bring you the best adventures of the ol' blue speedster. Enough about me, and onto the really important people...the readers!

Dear Sonic,
I think your comic is the best of Archie! My favorite is #8, where it's Sonic Vs. machines of super-heroes, and #2 when Tails was almost one of the X-Men. His mutant powers are super-speed like Wolverine, and the ability to fly like Storm, Rogue & Jean Grey.

I'm also excited for SONIC 3!!! But for some real excitement, bring in Robo-Sonic, Robo-Tails, and most of all, KNUCKLES the Echidna! He's on Robotnik's side, but I can see he still has some good in him, for it was Robotnik who forced him to believe you, and the Freedom Fighters are his enemies. Thank Mobius he didn't roboticize KNUCK-

LES, for he's cool inside, but you just have to look for it!

Sincerely,
Chris Chidester
Arroyo Grande, CA

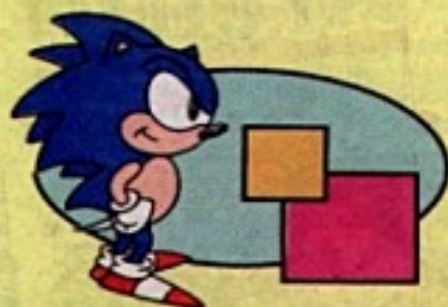

Dear Sonic-Grams,
Are you going to write about things in Sonic 3? Like they save KNUCKLES from working for Robotnik. And is there a drawing book how to draw things from Sonic 3? I love to draw him.

From,
Michael Wohlberg
Allentown, PA

Yo Sonic,
I recently read issue #10, and I think it's way past cool like you! I'm your numero uno fan (#1). I'm in the fifth grade and the

fastest girl in my class. My nickname is Sonic and my friend Roger who is almost as fast as me is called Tails. I have a few suggestions: 1) Put in Sonic 3! 2) Put in KNUCKLES and teach him humility. 3) Drop "Robaldnik" off a really high cliff!

Your way past cool fan,
Rachael Norberg
San Antonio, TX

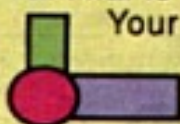

Rachael, Chris & Michael--your wish is our command! Don't miss next issue's story, "This Island Hedgehog", which will feature the first comic book appearance of... **KNUCKLES!**

Dear Sonic & Co.,
I just received issue #8 of Sonic the Hedgehog. In issue #4 I found out how to turn into "Super Sonic" while playing the SEGA Sonic 2 game. I am nine years old, and I just used the tip from issue #4 on the Sonic 2 game...and it worked!

By the way, what kind of animal is Antoine?

Your outrageous fan,
Daniel Ellis,
Swatara, MN

Antoine, that suave, debonair and sophisticated Freedom Fighter is, as ladies might say, a FOX!

Dear Super Sonic,
You are the coolest person in my school. You are probably the coolest in the world. I've liked you since August, 1993. My friend Brad told me about you. So, I got a SEGA with Sonic #2. Then in February, 1994, I got Sonic 3. Sonic 3 is the best game in the

world. I can draw Sonic the best in my school. I first started collecting your comics when I saw three comics in a pack. When I saw they all weren't Sonic, I was mad.

From,
"The Cool" Timmy Zyla

Don't get mad, Timmy--get Sonic! 100% Sonic! Take advantage of our SONIC SUBSCRIPTION OFFER (see order form in this issue!) and you'll have a new issue delivered to your mail box every month!

Dear Sonic,
How can you run so fast, and also, how many miles can you run?

Your friend,
Jason Mosley
Augusta, GA

I can run at speeds and distances relative to the amount of chili dogs I eat! My favorite food really gives me a lot of...

YEE HAAAA!!

One final note:
If you would like to see your artwork of Sonic and his co-stars printed on our "SONIC ART" page (elsewhere in this book), please send only **BLACK & WHITE** drawings--no colored artwork! **THANKS!**
